Description

Model train boxcar with Heinz details painted on side (a) and original box lid (b) and box bottom (c). (a) Plastic and metal train boxcar model. Sides are yellow and top and ends are brown. Sides have advertising text for Heinz including a pickle; there is additional text on the side, and other Heinz-related and train-related text. Model number appears on each end. Train has moveable parts including four hatches on top and two sets of wheels on the underside. (b) Original paperboard box lid for the model train. Top has graphic of a train with maker and product text. Four sides are blue with additional train graphics and product information. One side end has a partial white sticker with handwritten text. Interior of lid has blue paper around perimeter and the rest is brown. (c) Original box bottom made of brown paperboard with brown tape on the exterior of the corners. White sticker on underside with barcode and text above and below barcode. [Small black plastic piece that detached from train car is stored with Part a inside of a small plastic bag.]
