

Basic Detail Report

Megaphone

Date

1950-1980

Medium

Wood/Leather/Metal

Description

Two megaphones (a-b) with suitcase (c). (a) Megaphone. Brown, heavy, textured cardstock secured into a cone shape by five (5) metal pins, with a metal ring around the

mouth opening. (b) Megaphone. Brown, very heavy cardstock. Covered in a thick shellac. The cone shape is secured with adhesive. Three pieces of cork are on the outside of the megaphone and there is tape along the mouth opening. (c) Suitcase. Black, metal, with a black leather handle. Yellow hand painted designs on front, back, and side. Front text has orchestra name and there is a painted symbol on the back that closely resembles hypocycloid.
