

# Basic Detail Report

---

## Dimensions

14.5 x 13.25 in. (36.8 x 33.7 cm)

## Jar

### Date

c. 1888

### Primary Maker

Williams and Couch

### Medium

stoneware clay, salt glaze, cobalt & "albany" slip

### Description

Storage jar or crock, six-gallon size, orange terracotta-color clay has fired to an olive-gray color, under a salt glaze; wide, straight-sided form; two arc-shaped extruded (?) handles near rim; wide and heavy rolled-over rim; brown albany glazed interior; combination of freehand and stencilled cobalt-slip decoration; brushed straight and wavy lines, sharply-cut stencil with maker information; below this, a freehand numeral, flanked by three wavy lines, one side of which appears to have been smudged before firing; somewhat concave base is largely unglazed.
