## Game, Dice

### Date

after 1950

### Medium

Celluloid/Paint/Paper/Fabric/Metal/Satin

### Description

Poker dice set with five celluloid(?) dice (a-e) and paper board case (f). (a-e) Five off-white celluloid(?) dice with rounded corners and six faces. Each face features a different image representing a poker card. One side has a red heart, one side has a black King, one side has a blue Queen, one side has a colorless (may have been green) Jack, one side has ten red hearts, and one side has nine red hearts. Each die is very similar to the others with slight differences in color and condition. (f) Blue rectangular paperboard box with lid that is attached along the back edge and folds over the front edge. Box has metal latch at front center that secures the lid shut. The box is lined with beige satin fabric. Paperboard is textured with snakeskin-like pattern.

### Dimensions

Parts a-e: Height 0.625, Width 0.625, Depth 0.625; Part f (closed): Height 1.063, Width 4.125, Depth 1.375.
