Description

Iron City glass beer bottle. Special limited-production commemorative beer bottle. Machine-made brown glass bottle with long-neck. Body has been overcoated with a highly reflective chrome(?) metallic plating. Paper/foil label has red circle beer logo trimmed in metallic gold; at upper left there is text with retailer information. Matching wrap-around neck band label repeats the 100-years theme. Bottle is fitted with a crown-type cap decorated in red with name of beer in a keystone-shaped outline.
