Date

c. 1950

Medium

Leather/Felt/Feather/Plastic

Description

Uniform consisting of buckskin jacket (a), buckskin pants (b), belt (c), headdress (d), and two buckskin panels (e-f). (a) Buckskin jacket. Brown. Long sleeves. Six buttons in front. Multi-colored beading on collar and cuffs. Fringe off of collar, down center of back, outside of sleeve, and bottom edge. Red decorative edging around neckline and edge of cuffs. (b) Pants. Buckskin. Brown. Fringe on outside of legs and bottom edge. Decorative pieces with multi-colored beaded floral pattern. Found black buttons in fly. Decorative yellow corduroy edging around waist. There safety pins removed from waist. (c) Belt. Eight panels hanging loose, each with rounded bottom edge and flat top. Floral decorative beadwork on each panel with multicolored accents on waist band. Panels and majority of waistband has pink edging; proper right edging is red. Green cotton ties in back. Safety pin removed from proper right end. (d) Headdress/War bonnet. Multi-colored feathers. Buck skin head band with multi-colored beadwork, including two American Flags. Cap lined in black with black polyester hair braided in two pigtailed, with rubber bands on ends. Headdress is longer in back. (e,f) Two buckskin panels: flat top with fringe and

round side edge that comes to a point at bottom. Decorative multi-colored floral beadwork in center; outer edge lined with white beads. Appears to have become detached from (a).
