Description

Brown/red and tan prescription box (a) containing a brown glass bottle (b) with a dropper. (a) Prescription box that is primarily a brown/red color with tan lines of varying thickness. The lines intersect to form a cross shape in the middle of the box on three sides. The fourth features an image of a pharmacist's mortar in the middle of a cross at the top of the box by the lid. The other three sides feature the "Rx" prescription symbol in tan lettering. Three thin horizontal lines circle the bottom and top. The lid features a number. (b) The brown glass bottle features a semi circle on one side and three flat planes on the other with the rearmost flat plane being the widest and the two to the left and the right are the same size. The bottom of the bottle features maker's information. The lid is black and serves as the dropper with a clear glass vile attached to it.
