## Description

Group of 110 multi-colored, wooden, figurine people seated on benches painted in gold and yellow. People are mostly women and children, painted in colors ranging from white to shades of yellow, orange, green, red, purple, blue, brown, and black. Some have babies in their arms, others appear to be sleeping. Most look to be conversing to the person next to them or sitting contently with hands in their laps. Figurine people are glued to wooden and metal benches.
