

Basic Detail Report

Ammeter

Primary Maker

Westinghouse Air Brake Company

Medium

Wood; Plastic; Metal; Paper; Rubber

Description

Black plastic ammeter in a brown wooden container. Rectangular wooden base that slopes up to a black plastic meter inside. Silver metal bolts on each corner. Circular colorless plastic in the center with a white face with black and red text and numbers. Black metal needle inside. Six circular metal dials above the meter. Gold text above the dials on the black plastic. Two silver metal hinges attach the base to the wooden lid. White paper label inside the lid with black typed and handwritten text. Gold metal clasp on the other side of the hinges with handwritten white text next to it. To the left, there is a white paper label with black text and four hard black rubber feet. Two black rubber feet on the side with the hinges. On the top side is a black and gold metal plaque with text. Underneath is a piece of silver duct tape with black handwritten text.
