## Shaker, Sugar

### Date

1894-1904

### Primary Maker

Northwood Glass Company

### Medium

Glass; Applied decoration; Metal

### Description

Colorless glass sugar shaker with pink, yellow, and white applied decoration; includes glass jar (a) and metal lid (b). Royal Ivy pattern. (a) Colorless glass jar with applied decoration has a circular base with a cylindrical body that connects to a short, round shoulder and grooved neck with an open, circular mouth. Inside of jar has a pink, yellow, and white applied decoration covering every side.

Outside of jar has a raised flower and stem pattern around the middle and diagonal grooves from the shoulder to the base. Bottom is domed and has a foot. Four seams on sides of jar. (b) Metal lid is circular with grooved sides and a raised flower on top with a small domed center. There are holes cut out on the top of the lid.
