Fabric; Lace; Metal

Description

Off-white diaphanous fabric, eyelet, and lace wedding dress. Rounded neckline with straight front section. Bodice is constructed from diagonal floral eyelet and lace panels creating a V-design down front and back. Wide three-quarter-length sleeves are constructed from horizontal bands of same floral eyelet and lace fabrics. White fabric waistband. Floor-length skirt with pleated waist is constructed from horizontal bands of same floral eyelet and lace fabrics. Ten metal hook and eye fasteners down back opening.
