## Ladle, Hot Metal

**Medium**

Steel

### Description

Oval-shaped steel hot metal ladle. Body of ladle has additional metal panels riveted overall. Two circular knobs, one on each side. Two handles or loops, located on opposite sides of the opening. Two circular openings on the bottom of the ladle, both on one end of the bottom. Underside has four rails. Raised numbers on side. At the time of cataloging, the ladle is displayed on one of its narrower sides, allowing the viewer to see inside the ladle and to see the bottom.

### Dimensions

Height x Width x Depth (approximately, upright): 149 x 156 x 138 in. (378.5 x 396.2 x 350.5 cm)
